

- Check your spelling.
  - editor
  - `detex assignment.tex | spell`

- Avoid abbreviations in your references (if you have sufficient space).
- Place URLs in footnotes, rather than as references.
- Avoid references in your abstract. Instead mention the names of the authors.
- Instead of `\cite{A}`, `\cite{B}` use `\cite{A,B}`.

# Section versus section

- As we saw in the previous section, . . . .
- In Section 3, we . . .
