Week 11

The plan going forward

- April 6: Last lab
- April 8: Final presentation
- April 17: All deliverables due

Lab 12 (Apr 6)

- Get help with getting your code / presentation ready
- Can use it as dress rehearsal for final presentation

Final presentation (Apr 8)

- Will take place in LAS 1002
 - Next door
- Schedule
 - Team 1 : 11:30 – 12:00
 - Team 2 : 12:00 – 12:30
 - Team 3 : 12:30 – 13:00
 - Team 4 : 13:00 – 13:30

Final presentation (Apr 8)

- Demonstrate a fully integrated system
 - All functionality must be implemented
- Showcase the features of your system
 - What makes your system stand out from similar systems?
- Present highlights of your design and testing

Final submission (Apr 17)

- Create a website that contains:
 - A link to your runnable jar file
 - A link to your github repository (must be public)
 - Links to the 4 documents (PDF only)
 - Requirements
 - Design
 - Testing
 - User Manual

Final submission (Apr 17)

- By midnight, email the URL of your website to the instructor (once per team)
- The last revision in your github repository will be considered your source submission

Self – evaluation email (Apr 17)

- By midnight, each team member must email the instructor privately with their evaluation of the contributions of the other team members
- Could be as short as “Everybody contributed equally to everything”
- Must send this message to get grade other than F.
