Adventure on the High Seas

Narrator (Z)

Welcome! Today we set out on the high seas with Captain A, First Mate B, and their crew. I'm skipper Z and I'll be here during the journey to describe everything. I'm just joining the crew today as well, so I'll be learning along with you here. Let's meet the Captain A and the First Mate B!

Captain A
Ahoy skipper Z! I'm Captain A. I'm excited for some new crew members for this journey. We hope to find a magnificent treasure at the end of it! Has First Mate B introduced himself?

First Mate B
Not yet, Captain A! I'm First Mate B, first in command to Captain A. We're setting off on our journey now, so do you understand our names?
Press <button 1> to continue, <button 2> to repeat.

Captain A
Alright, then we're off!

Skipper Z
Wow, the air feels so soft and cool, I can smell the salt! Do you hear those waves? [sfx] Hold on, what'sthat sound, down in the water? [sfx]

MerKing E
Hello, sailors! I am the MerKing E, lord of the seven seas! This is my right hand man, Merman K. We come to you with a request.

Merman K
You see, MerKing E's daughter, the Mermaid P, has been captured by an evil pirate crew, and we need your help to get her back. Whaddya say?

First Mate B
Well, let's get to it. We will need to fight them using what we know now of the Braille alphabet. So, how do you feel about our names up to now? There's A, B, E, K, and P. Got it?
Press <button 1> to continue, <button 2> to repeat the names.

Merman K
Thank you, kind pirates! Set sail for the evil pirates, and rescue the Mermaid P!

Skipper Z
Off we go, then! The sails have been lowered [sfx] and the ship's started to skip over the waves [sfx]!

First Mate B
But there's something in our way! What is that?

Whale
Meeeeeeeeu.

First Mate B
Oh no! It's a whale! What a meanie, getting in our way! C'mon, crew, let's talk him into going!

Whale
Meeeeeeeeeeeu!

Captain A
But none of us speak whale!

Skipper Z
MerKing E, don't you speak the language of the sea?

MerKing E
Of course! Help me out with this, will you, sailor ?
Press <button 1> if letter A is displayed, or <button 2>  if letter Z is displayed.

(Retry with other quizzes if incorrect until correct answer)

Merman K
Good job! You did it!

Whale
Meeeeeeeeeeeeeeeeeeu… [leaving]

And so on...
